CONNECTION, QUALITY, THE FUTURE

You Ain't Seen Nothin' Yet! – This conference is for everyone interested in the continued success of the CHSP in supporting older people to stay independent, connected with family, friends, culture and community.

It's a practical and honest opportunity to hear the voices of consumers, volunteers and staff from our diverse communities. A full day program will be offered highlighting what's currently happening for older people in the CHSP, and what's on the horizon for innovative and responsive service delivery.

The format will be keynote speakers, academics and researchers, two facilitated panel discussions and three concurrent sessions. This Conference will celebrate all that the CHSP program currently offers now and into the future. We look forward to seeing you.
